**HOMEOWNERS UNDERSTANDING OF
LEAD BASED PAINT ASSESSMENT REQUIREMENT**

As part of participating in the Housing Rehabilitation Loan Program, the following conditions per Federal Regulations apply.

If your home was built prior to 1978, a Lead Based Paint Assessment is required. If lead based paint is present and the rehabilitation work to be done is in those areas, your family may be required to move out of the house until a Lead Clearance has been gained.

Therefore, I understand that if I qualify to receive a loan for the rehabilitation of my home, I will need to cooperate with and abide to all regulations per a Lead Based Paint Assessment of my home. Failure to do so at any time during the rehabilitation of my home will be cause for discontinuation of my participation in the loan program.
