

# July 2023 Newsletter

## From Judy:

★ Contractor prices have increased! The price to get a replacement mailbox key has increased over \$10, so please be very careful with your keys. Plus, the contractors are very busy and it can take over 2 weeks for the keys to be made.

★ We have had an uptick of residents forgetting their keys and being lockout of their units after business hours. That price will also be increasing so I recommend you find a backup plan if you don't want to be charged to be let into your unit.

★ No one is authorized to put up signs in the building without Park Towers Management's approval!

★ Do not leave your wheelchairs or walkers unattended in the common's areas. They can be a tripping hazard.

**What did the parrot want for the 4th of July? A fire-cracker.**

**What beverage do you drink on July 4th? Liber-tea.**

## From Steven:
